

IMPROVING NEUROLOGY SERVICES IN THE NEW NHS: Addressing the needs for People with Long Term Neurological Conditions

Central London, Thursday 15th March

A free event brought to you by the Primary Care Neurology Society in association with
the Acquired Brain Injury Forum for London and the London Neurological Alliance

Purpose of the Event

- To facilitate networking of Clinical Commissioning Groups across the region,
- To share quality information and consider variation across the region,
- To share information about neurology prevalence, commissioning activity in local systems and examples of good practice,
- To explore ways of improving the delivery of neurology services in the community

Who Should Attend?

- Clinicians from Primary, Community and Specialist Services
- Members of Clinical Commissioning Groups
- Social Service practitioners and managers
- Service Users and Carers
- Community and Voluntary Sector Organisations

Event kindly sponsored by:
